AND BODYWORK THERAPIST IN	:	
THE STATE OF NEW JERSEY	:	

This matter was opened to the Board of Massage and Bodywork Therapy ("the Board") upon receipt of information from The Federation of State Massage Therapy Boards (FSMTB), a not for profit corporation whose membership is composed of massage therapy regulatory boards in the United States. FSMTB had audited the validity of the information provided by respondent on her application to take the Massage and Bodywork Licensing Examination (MBLEx), the licensing examination taken by

respondent in order to qualify for initial licensure by the Board.

The Board was advised by the Board of Directors of FSMTB that a review of respondent's record indicated that respondent had provided FSMTB with an inaccurate representation of her education on her MBLEx application, which resulted in the invalidation of respondent's MBLEx test score.

Pursuant to N.J.A.C. 13:37A-2.1(a)ii, the MBLEx is one of three examination which an applicant may use to qualify for licensure, and respondent obtained licensure by the Board by documenting that she had passed the MBLEx, which she took on November 30, 2012. Respondent's MBLEx score having been invalidated, respondent no longer qualifies for licensure by the Board. Moreover, the Board finds that respondent, by providing FSMTB with inaccurate information concerning her education, engaged in misrepresentation within the intendment of N.J.S.A. 45:1-21(b) in connection with a material requirement for licensure.

The parties desiring to resolve this matter without admissions and without further proceedings, and respondent waiving the right to any hearing in this matter, and for other good cause shown;

IT IS ON THIS 18th DAY OF August, 2014
HEREBY ORDERED AND AGREED THAT:

1. Respondent hereby voluntarily surrenders her license to practice massage and bodywork therapy in the State of New Jersey, with such surrender to be deemed a revocation. Respondent shall send her New Jersey license, as well as her wallet-sized biennial renewal license, along with this signed order.
2. Respondent may not apply for reinstatement of her New Jersey license unless or until she is able to demonstrate that she meets all requirements for licensure. Moreover, in the event that respondent applies for reinstatement, she may be required to appear before the Board to respond to questioning about her conduct.
